SOKO Gorica doel Skopje is a family company from Macedonia, with a tradition since 1994th. We are specialized in production of fruit and refreshing drinks packed in stand up pouches (well known as doypack). Production process is based on high capacity automatic equipment and is certified with ISO 22000 quality management system. Over 95% of annual production is exported to more than 25 countries worldwide. Competitive advantages of **VitaGO** fruit drinks are their irresistible taste, practical and unique shaped packaging, very attractive design and highly controlled quality. Company is oriented to continuous improvement, always aiming to exceed customers' needs. Our mission is to become a producer of the most favourite drink of millions of happy children all over the world.
